Notes and features

- The Alliance Multiuse Professional 551 is a new and recently developed tyre for use on municipal tractors, backhoe loaders and other agro-industrial machinery.
- Its additional sipes on the tread blocks ensure optimum handling, ride comfort and traction on dry, wet and snow-covered surfaces.
- The tyre is marked M+S and specially equipped for winter use.
- Due to the unique combination of special rubber compound and tread pattern design, the tyre guarantees excellent performance and a long service life.
- The strong steel-belted casing provides damage protection and optimum stability.
